★ Railway Station

# Getting to Poitiers-Futuroscope

## By Train

The French Railway Company is SNCF ([www.voyages-sncf.com](http://www.voyages-sncf.com) or [www.tgveurope.com/en](http://www.tgveurope.com/en))  
The TGV is the quickest and most convenient way to get from Paris or Bordeaux to Poitiers station or Futuroscope station.

If you come from Paris downtown, the station is "Paris Montparnasse" (metro station "Montparnasse-Bienvenue" connected by lines 4, 6, 12 or 13). The journey takes less than 1-1/2 hours.

If you come from Paris Charles de Gaulle Airport, it is possible to find a TGV direct from the station "Aéroport CDG 2 TGV" to the Poitiers station or the Futuroscope station. The journey takes less than 2-1/4 hours. Alternatively, take the RER B from Charles de Gaulle off to Denfert-Rochereau, then take line 6 to the Gare Montparnasse.

## By Plane

There are planes direct from London or Lyon, but not from Paris. London-Poitiers is 1-1/2 hours ([www.ryanair.com](http://www.ryanair.com)).

Poitiers-Biard Airport is about 10 minutes away by taxi.

## By Shuttle

The shuttles from the city of Poitiers are managed by Vitalis ([www.vitalis-poitiers.fr](http://www.vitalis-poitiers.fr))

### From Poitiers station (downtown)

Line 1 or 1Express (SNCF railway station, Boulevard du Grand Cerf) towards "Futuroscope Lycée Pilote", stop at "Gustave Eiffel" on the Boulevard Marie and Pierre Curie.

Line 1 or 1 Express can be taken in front of the station, but also near the Notre Dame church.

### From Futuroscope station

There are few shuttles serving the Futuroscope station. If you are not sure of the shuttle, choose rather to arrive at Poitiers station. If you can get the shuttle, take bus line 1 towards "Futuroscope Lycée Pilote" and stop at "Gustave Eiffel" on the Boulevard Marie and Pierre Curie.

## By Car

Junction 28 of the A10 motorway is 2 minutes from the CNAM-IFMI building
